*When attuned to the unstruck music sounding in one's heart as an expression of Love,
And when responding in Harmony with that celestial melody
One is offering thereby, a true example of nature's Beauty.*

Things to Remember by Pir-o-Murshid Inayat Khan

And the last thing that you will consider is that your Teacher is with you when you are away. Murshid goes still more with you, for the very reason that you are away. And therefore you have no reason to think that you are separated or far away from Murshid. But you must feel confident that, for the very reason that you are away, and space has divided us, that Murshid is so much more near.

On February 5th, 1927, Pir-o-Murshid Hazrat Inayat Khan passed from this world in Tilak Lodge, in New Delhi. He devoted his life to the Message of God. On the 90th anniversary of His departure, may our hearts unite in the confidence that Murshid is always near us.

Remember!
